

## **Memo to Members – Notes of Dinner meeting 28/5/14**

Guest Speakers: Jeff and Cameron Schefman

Peter welcomed our guests

The Bunnings Sausage Sizzle we held at Bunnings to help raise funds to support Cameron's bid to get to the RIO Paralympics raised \$500 which Peter passed to Jeff

The Zupps sausage sizzle raised \$500, as this is a quarterly event we can do it again if we wish.

Friday 30<sup>th</sup>'s Sausage Sizzle has been cancelled due to a double booking. Peter asked the members for a new date and 13<sup>th</sup> June was agreed on

The Mt Gravatt Community Centre has asked for the clubs assistance with a couple of projects they are thinking of trying. One idea is a Sunday lunch to feed the homeless, members agreed we could assist with this. The Sanity Fair for Mental Health Week is in October and it is proposed we have our usual Sausage Sizzle.

Peter received a call from a Logan Village Lions member to say a friend of his friend in the Mt Gravatt Show Society and had asked the Logan Village Club to do a Sausage Sizzle at the Show. As a result of the discussion held it was decided that factors such as the need for a Council license to sell food and the competition from the other food outlets which are always at the show, would mean little profit for a lot of work. It was agreed Peter could contact Logan Village Lions and tell them they could go ahead.

Members were asked if they would like to attend the Pinelands Changeover Dinner, Kath, Dawn, Lynn and Peter will go.

Ken has found another electric scooter for us to donate as we have done previously. It is currently in the garage in Deshon Street for a quote on servicing.

A request for a donation was received from SPARK a Youth Without Borders initiative which is holding a camp for disadvantaged students at UQ to show what the university can offer in the engineering field. The members decided not to support this request.

The poster for the Community Board at the Mt Gravatt Plaza has been done; Howard brought it to show members.

Lynn queried if any money had been sent to the Give Me 5 for Kids. This was the entry in the March minutes

Give 5 for Kids is an idea sponsored by Ormeau Lions to collect 5c pieces in June to assist with regional children's hospitals. An email will be sent to members encouraging them to save 5c pieces as well as having collection tins at the raffles and sausage sizzles.

Moved: Peter Matthews

Seconded: Howard Groffman

Carried

The money is due by 16<sup>th</sup> June if we are going to give anything.

**Next Business Meeting:**

**11 June 6:45 for 7:00 pm**

**Holland Park Bowls Club**
