

Lions Club of Greater Mount Gravatt Mansfield Inc

Minutes of Dinner Meeting held at

The Mansfield Tavern

Wednesday 24 July 2013

This was the first dinner meeting of the New Year. There was no after dinner speaker.

Tony Cook was formally inducted into the club by Graham Goodman in the absence of Peter Matthews. Michelle Hill stood as sponsor.

With the Mount Gravatt Show starting on Saturday Rod Sorenson reported on the issues raised in a letter to the Show committee endorsed at the last business meeting. All of our concerns have been answered satisfactorily.

Tony Cook reported on the situation with the hospital beds which he discussed with the Apple Mac club. They will need to be stored in a shipping container until they can be distributed and a site for the container is needed. Several members offered to look into options for this.

Graham Goodman has been offered a mobile scooter to pass on to someone who could benefit from one. The members agreed that the scooter should be checked out mechanically before it is offered, and also to investigate who might need one.

Due to various issues it was agreed not to use the Mt Gravatt Lookout café for our dinner meetings.

Options for a place to use as a permanent home for the club were mooted and need to be discussed at the next meeting.

Meeting closed at 9:10

Next Business meeting

14th August

Holland Park Bowls Club

6:45 for 7:00 pm
