Peter requested that everyone bring their completed **Club Survey** to the next meeting on 9/10/13 at Holland Park Bowls Club

A reminder that this Saturday (tomorrow) is the scheduled **Sausage Sizzle** at Bunnings Mt Gravatt

The **Neighbourhood Watch Sausage Sizzle** will be on the 19/10/13

Care Packages for soldiers in Afghanistan: Peter and Howard will be meeting with team. The packing day will be on the morning of 26/10/13. Ian Walker would like a BBQ on the day and two people would be required to assist with that. Ian Walker's office is the venue.

Gerard sent a flyer about a Trivia Night at Mr Gravatt East State School on 11/2/10/13

The logistics for the **Girraween trip** were discussed. Tony cannot arrive until lunch time on Sunday. Sites to be booked individually. It was agreed communal meals would be a nice way to cater for the 9 going. Tony will bring a tarpaulin to create a communal area. Theresa will liaise with groups to divide the requirements for the catering aspects of the trip.

Kay Cook has successfully transferred the surplus **hospital beds** to the AppleMac Lions Club for distribution. A thank you letter will be written to Kay for her support of the Lions in this way.

Ken will advise the Mansfield Tavern that we will not need the storage space that they were willing to provide for the hospital beds.
